

**** NEW ****

Outdoor Citronella Blend Candles

All preorders received before June 10 receive a 5% discount!

The candles are made with 100% soy wax with a outdoor blend of Citronella, eucalyptus, & mint. Mosquitoes hate Citronella, and Eucalyptus we add the mint to repel flies, with this combination you are ready to fight the war against mosquitoes and other annoying flying summer insects.

24 oz candles are in a 5" metal bucket approx. burn time 60 hours Wholesale \$12.50 each

16 oz candles are in a oblong 4" x 6" metal tin approx. burn time 48 hours Wholesale \$9.50 each

12 oz candles are in a 4" metal bucket approx. burn time 40 hours Wholesale \$7.50 each

After the candles have burnt out you have a nice metal tin to use for decor or storage of small items!

Scheduled to ship June 15th 2017
